1. REPORT AT A GLANCE

Center of Pharmaceutical Studies & Drug Delivery Technology, GTU has organized “3rd Centralized Placement fair of Pharmacy” on 13th & 14th June 2015 at GTU, Chandkheda Campus, Ahmedabad. In this placement fair, total 32 Pharmaceutical companies (Annexure 1) from across the state have participated to recruit candidates for total 410 posts of different job profile. Total 450 students including 12 students of D. Pharm, 156 students of B. Pharm and 238 students of M. Pharm have participated.

Inaugural session was started with prayer and deep pragatya by the dignitaries and invited guests. Dr. Manish A. Rachchh, Asso. Professor, GTU has given welcome speech and mentioned that under the visionary leadership of Hon’ble Dr. Akshai Aggarwal Sir, Vice Chancellor of GTU, University is committed for development and support of Pharmacy branch and hence as a part of this, GTU has organized 1st and 2nd Centralized Placement fair of Pharmacy in April-2014 and July-2014 respectively, which achieved a great success and appreciation from Pharmaceutical industries too. This motivated GTU to organize this 3rd Centralized Placement Event. Dr. Praful Bharadia, Ex-principal of Saffrony Pharmacy College, Mehsana has given introductory speech. He mentioned that within 3 days of announcement of fair, total 750 students have filled up online registration and shown interest to participate. He mentioned that with strong team effort of Advisory, Core and Zonal Committee members of Placement Cell (Pharmacy) since last two months, this event was planned and executed nicely.

Shri Padmin Buch, Head (IPR), EDI, Ahmedabad and advisory member of GTU Placement committee (Pharmacy), in his speech as Guest of Honor, appreciated the leadership of Hon’ble Dr. Akshai Aggarwal under whose leadership GTU is putting its sustained efforts by organizing 3rd centralized placement fair for Pharmacy within span of one year, which no other conventional universities are able to do at such a large scale.
Shri Bharatbhai Desai, President of IDMA-GSB and Managing director of Bharat Parenterals Ltd, Vadodara remained present as a Guest of Honor. In his speech, he mentioned that Indian Pharmaceutical industry is growing at the rate of 12% per annum. Export by Indian Pharmaceutical Company is also growing approx 7.2% per annum. He mentioned that India is ranked 3rd worldwide in terms of volume of Pharmaceutical business and 13th worldwide in terms of value. World has now accepted India as a “Global Manufacturing Hub for Economic & Quality based Pharmaceuticals”. This clearly indicates that, industry is progressing and obviously they need more human power to match up with the growth, but he pointed out that, in the current scenario, industries are facing difficulty in fetching quality human resource, who are not only technically sound but also possess good soft skills. He mentioned that currently candidates who are approaching to industry; usually they lack in their attitude. He advised to all students that they have to develop their contributor ship attitude, so that industry can appreciate their efforts.

Dr. Hemant G. Koshia, Commissioner of Food & Drug Control Administration (FDCA), Gujarat remained present as a Chief Guest. In his speech he mentioned that in Gujarat, we have 3,500 micro to macro level of manufacturing units for Pharmaceuticals. Gujarat is No. 1 as appx. 40% drugs manufactured in Gujarat out of total drugs manufactured in entire country. In export of drugs also the contribution of Gujarat based Pharma industry is 25%, which is again No. 1 in the country. Further, regulatory system and industry in Gujarat are working closely to provide quality medicines to the state, county and to the entire world. He suggested students to work hard in whatsoever company they get selected in this Placement Fair, and stick to that company at least for couple of years to sharpen their skill. He also conveyed his best wishes to all students who came from across the state to participate in this Placement Fair. He appreciated Dr. Akshai Aggarwal Sir (who could not remain present in this event due to his trip to Canada) by saying that “GTU is the only University that I have seen, which is not only taking care to provide Pharmacy degree to their students but also strive hard to provide them good placement by organizing such a wonderful placement event and again on sustaining mode”.

Contact: Dr. Manish A. Rachch, Section Head (Pharmacy) E-mail: manish.rachchh@gtu.edu.in
Tel: 079-23267537 / 9909961894
**Dr. C. J. Shishoo**, Ex-Principal of L. M. College of Pharmacy and advisory member of GTU Placement Committee (Pharmacy), has given Presidential Speech. He mentioned that there are many opportunities opening for young Pharmacy graduates and Post Graduate, as many foreign countries have revised their regulation for pharmaceutical business in their country, to cope up with the same, it is utmost necessary for our generic manufacturer to appoint more number of qualified Pharmacy graduates. He also suggested students to select appropriate job profile, wherein they possess good strength. He has given his best wishes to all aspirants who were waiting to start interview round.

**Honb. Dr. Akshai Aggarwal Sir**, who could not remain present in this event due to his trip to Canada, but continuously guiding and motivating Placement committee members from inception to execution of this event virtually and sent his Presidential message by e-mail and telephone. In his message, he mentioned that “GTU has started the Placement Fairs to bring together the industries and graduates of GTU at one platform for mutual benefit. This has been done particularly for Pharmacy to disprove the fallacious view in our society that there are no jobs for Pharmacy graduates. It is in the interest of both the industries and the University if such views do not gain wide currency. If the University is unable to attract good students and if Pharmacy becomes the refuge of the students, who are not able to get admission anywhere else, it would ultimately tell, as Gujarat or in India will have to be run by Indian graduates. If the society feels that the profession of Pharmacy is not worth pursuing for the young, it is a problem for the University. But it is in fact a bigger problem for the industry. But neither our industry nor our society as a whole has started visualizing its own future and we all are used to living a life of the well-known *Koop Mandrooks*. Hence even as the profession of pharmacy has lost its sheen, it is only the University, which has been bothered about it. I, therefore, call upon the friends from industry, to join the University in improving the environment so that good students can again be attracted to Pharmacy Colleges. I also want our industry to start working closely with our Colleges, as is the practice in the developed world. This is in the long-term interest of our country. At the end I thank Dr. C. J. Shishsoo, Dr H. G. Koshia and Shri Bharatbhai Desai and the industry professionals, who have accepted our invitation and joined us to make this fair a success.”
Dr. M. T. Chhabria, Principal of L. M. College of Pharmacy, Ahmedabad has given vote of thanks at the end of inaugural session.

After inaugural session, industry experts and faculty coordinators moved to 20 different halls to start interview process. Few companies, wherein numbers of candidates were too many, have organized preliminary screening round. After preliminary screening, short listed students were called for personal interview. In rest of the halls, after inaugural session, personal interview was started as per the preference given by students and as per merit (CPI), they have been called up. Interview sessions continued till 1.30 pm followed by lunch break. In post lunch session, again interviews continued, which lasted till 5.00 pm.

On Day-01, after completion of inaugural session, IDMA-GSB has scheduled their executive committee meeting at GTU itself wherein nearly 15 executive committee members of IDMA-GSB remained present, which included, Shri Bharatbhai Desai (President, IDMA-GSB), Dr. Ravilal Joshi (General Secretary), Shri Viranchi Shah (Vice President), Shri Sanchit Chaturvedi (Honorary Secretary), Mr. Atul Shah (Treasurer) and others. In this meeting, executive committee members of IDMA-GSB passed a resolution to sign MoU with GTU to support Pharmacy stakeholder of GTU.

On Day-02 of the event (Sunday), Dr. M. C. Gohel, Ex- Principal of L. M. College of Pharmacy and advisory member of GTU Placement committee (Pharmacy) and Shri Prabodhbhai Shah, President, GAAMA and MD, Virgo UAP remained present as Guest of Honor to motivate the students. Dr. C. N. Patel, Dean of Faculty of Pharmacy gave welcome speech and Dr. Madhubhai Patel, Principal; Shankersingh Vaghela Bapu College of Pharmacy proposed vote of thanks.

To organize this event successfully, along with GTU office members, advisory committee members, core committee members and zonal level members made tremendous efforts. To manage this entire event, dedicated team of 31 pharmacy faculty members (working in 17 different
pharmacy colleges) served as Faculty Coordinator. Due to this dedicated team efforts only, entire event was managed very well and event was a grand success.

At the end of two days’ event, total 814 interviews have been taken by all participated companies. Total 360 students have been short listed for various 360 posts by different companies during this placement fair out of total 410 posts requirement. Salaries offered to different candidates were in the range from 1.20 Lac to 2.40 Lac per annum. Candidates were selected for different posts like R & D, F & D, Production, QA/QC, Marketing and Community Pharmacy.

At the end of the program, appreciation certificate was given to all the company representatives as well as faculty coordinators. All company representatives gave very positive feedback about initiative taken by GTU to bring different companies together on a single platform for the benefit of large mass of Pharmacy students. Further, they have given valuable suggestions to groom students for soft skill and practical exposure of industry.

3. **FEEDBACK OF INDUSTRY REPRESENTATIVES**

*Students should be motivated to undergo practical Training and study of Pharmacopeia in-depth.*

**Mrs. Neeta M. Mehta & Mr. Sumersingh (Oasis Test House)**

It’s really an excellent program organized by GTU. It will be appreciated if GTU try to motivate students for stability once get jobs in any of the industry.

**Dr. Rina H. Gokani & Mr. Mayur Kandoriya (Accuprec Research Lab Ltd.)**

*Students should be motivated to get exposure to Pharma industry and recent amendment happening in the industry.*

**Mr. Tapan Shukla (Kiri Laboratories Pvt. Ltd.)**

*Students should be made aware that retail pharmacy is also a very noble profession to pursue as a career.*

**Ms. Rachana Joshi (Planet Health care.)**

*Student must stay at least one year to any one organization. University should arrange counseling session for students for the same before coming for Placement Fair.*

**Ms. Devyani Vyas (RaVyas group of companies)**

*Orientation session for students should be arranged to make them aware about different job profiles available in the industry along with scopes of each job profile before they come to attend actual interview on the day of placement fair.*

**Mr. Lalit Prajapati (West coast Pharmaceuticals)**

*Student should be imparted knowledge of GMP documents, actual practice of stability studies required.*

**Mr. Dinesh D. Patel (Maruti Chemicals)**
Students should be professionally trained in soft skill to face the interview. This will be good for student part as well as participating industry will also appreciate the same.

Mr. Shailesh Sharma (Unitech Pharmaceuticals)

Students need to have more precise idea about work that will be undertaken in industry. Mock round interview at college level will be better.

Dr. Shailesh Patel (Synzeal Research)

Practically students have to improve as industry expects them to do so.

Kamlesh Patel & Vijay Patel (Virgo UAP)

Students are lacking in basic knowledge and need to have some interview skill sessions from professional persons before participation in Placement Fair.

Mr. Prasenjit Das & Mr. Naitik D. Dave (Intas Pharmaceuticals Ltd.)

Students required to be improved in their basic knowledge and practical skills.

Mr. Shaktisinh Makwana (Phytoconcentrate Pvt Ltd.)

Students required to be improved in their technical Part and basic knowledge of respective area.

Mr. Brij Pathak & Ms. Himani Mehta (Bharat Parenterals Ltd.)

It is suggested that if such program can be arranged on working days, it will give more response from the companies.

Mr. Anup Athale (Torrent Pharmaceuticals Ltd.)

Students should concentrate more on practical work than theory. GTU is doing excellent work by bringing all companies and students on a single platform from across the state.

Ms. Jagruti Patel & Mr. Vishal Mehta (Lincoln Pharma.)
Students should be given training for how to appear in the interview.

Mr. B. K. Prajapati & Mitul Vyas (Troika pharmaceuticals Ltd.)

Students need to improve for their English communication as well as subject knowledge.

Ms. Chandni Daswani (Amneal Pharmaceuticals Pvt Ltd)

Students need to be more specific in their concept and need to be trained about how to face interview. It is truly an amazing experience at GTU. Administration of the event was very nice.

Mr. Pragnesh R. Patel (Zydus Cadila Healthcare)

Students need to be more aware for the job profile for which they are applying. The only suggestion is the organizers need to inform all the students properly regarding the job profile so that the students should be more prepared.

Dr. Jaydeep Patel (Avance Healthcare Pvt ltd.)

Students should be updated about different fields and knowledge regarding role of pharmacist in hospital and healthcare system should be given to them.

Ms. Praisy Christian (HCG Hospitals)

Report of 3rd Centralized Placement Fair of Pharmacy

CITI

GTU PHARMA PLACEMENTS

900 vie for 395 vacancies

Around 35 companies are participating in the two-day placement drive at GTU; average salary offered to M Pharm students is Rs 2.5 lakh per annum.

P harmaceutical students at Gujarat Technological University (GTU) find placements. The placements this year, attended by 35 pharmaceutical companies and hospitals, have resulted in 395 job offers to the students out of a total of around 300 students participating in the placements for 210 jobs in 26 companies.

The participating companies include Zydus Cadila Healthcare, Torrent Pharmaceuticals, Intas Pharmaceuticals, Apollo Hospitals, Apollo Pharmacy, Teva India, Apotex, and Novartis Healthcare.

"COMPANIES ARE MORE" said a student. "The competition is tough for M Pharm students. The average salary offered is Rs 2.5 lakh per annum."

But do we have any committee to monitor the quality of education at these colleges? No. Then we should also not expect high pay packages.

GTU is also planning to modify pharmacy syllabus with help from experts. It will be in line with Indian Drug Manufacturing demands. However, this is a difficult task.

"Our main aim is to make students industry ready. We will involve the industry in our curriculum so that they get a job as per their standards and requirements."
જટીલ પ્લેસમેંટ: કામસીના 350 વિદ્યાર્થીઓને જોન

ગુજરાત ટેકનોલોજી કોમ્બુટર સ્ક્લૂટિનીયસ કંપનીએ કામસીનાના વિદ્યાર્થીઓને માટે સેતુરીચાયર પ્લેસમેંટમાં કરવામાં આવ્યું છે. તે દરમિયાન, મેરોકમાં ઉપ જેવી કંપનીઓ દ્વારા 360 વિદ્યાર્થીઓને 1.8 વાતાવ્રણ 2.4 વાતાવ્રણથી વધુ વિવિધ પેક્સની જોન આંક કરી હતી. સેટેર હ૊કર કામસી સ્ટીલ માટે પુરાતન વિવિધ ટેવલરસનને વસ્તુ માટે માનવી રચાઇમાં મોટી કંપનીઓને 1.5 વાતાવ્રણ 2.2 વાતાવ્રણ વધુ પમેક્સની આંક કરી હતી. કેમાં, કામસીના વિદ્યાભૂદયીઓને 1.8 વાતાવ્રણ 2.4 વાતાવ્રણ પેક્સની આંક કરી હતી. કશ્મરીમાં વિદ્યાભૂદયીઓને 1.2 વાતાવ્રણ 1.2 વાતાવ્રણ પમેક્સની આંક કરી હતી. 

GTUના પ્લેસમેંટ: નું કંપનીઓને 350 વિદ્યાર્થીઓને પણ સ્પર્શ કર્યો

ગુજરાત ટેકનોલોજી કોમ્બુટર સ્ક્લૂટિનીયસ કંપનીએ 93 કંપનીઓ તો છતલી કંપનીઓ વિદ્યાર્થીઓને માટે સેરી કરી હતી. શું કંપનીઓને માટે હું તે જાણે કે કે કંપનીઓ કંપનીઓને પાઠકો ની જીવન જીવનાત્મક નથી. મોટી શું 600 વિદ્યાર્થીઓને ફાળવવા માટે. પહેલું દરેક 230 શું બીજા દરેક 350 વિદ્યાર્થીઓને કૌશલ્યો ધ્યેરથ પાણી કરતા. કંપનીઓ, કમર્શિયલ વિદ્યાર્થીઓને 9.8 લાંબાઈયામાં કન્ની 2.4 હાલના માટે પેક્સની કંપનીઓને 9.2 લાંબાઈયામાં કટીઓ 9.4 લાંબાઈયામાં કાયમાં કાયમાં કાયમાં કાયમાં કાયમાં કાયમાં કાયમાં કાયમાં
